4. The limit for per diem reimbursement is \$ 50.00. The per diem breakdown is:
 - \$ 9.00 Breakfast
 - \$ 11.00 Lunch

You must either claim per diem for all meals or submit receipts for all meals.

5. If driving, please compute all personal mileage at \$.545 per mile. If you drive, we only will reimburse for mileage. Should you rent a car, we cover the cost of the rental car and gas. When claiming reimbursement for personal mileage please list the starting and ending points and the number of miles traveled. *A copy of all receipts and Mapquest for the travel (or equivalent) is required. Please double check to see if the price of driving is comparable to the price of an airline ticket.*
6. **RENTAL CARS MUST BE PREAPPROVED** by the CACREP office. It is expected that the University will provide transportation during the visit, therefore car rentals must be justified as necessary for the execution of the visit.
